2. Color Palette

Primary Colors:

- Vermilion (red): #FF4A4A.
- Teal (blue): #00A6FF.

Secondary Colors:

- Violet (purple): #8A2BE2.

Usage Guidelines:

- For Dark Backgrounds:
 - Text: Vermilion-08, Teal-08, or Violet-08.
- For Light Backgrounds:
 - Text: Vermilion-06, Teal-06, or Violet-06.
- Gradients:
 - Example: Vermilion transitioning to Violet for backgrounds or accents.

3. Logo Usage

Primary Logo:

- Use dark logo on light backgrounds and light logo on dark backgrounds.

Secondary Lockups:

- Horizontal or stacked versions for constrained spaces.

Spacing and Placement:

- Maintain a clear spacing equivalent to the height of the "S" in "Sourcegraph" around the logo.

4. Buttons and UI Elements

Button Styles:

- Primary Buttons:
 - Background: Vermilion.
 - Text: White.
 - Hover State: Darker shade of Vermilion.
- Secondary Buttons:
 - Background: Teal or Violet.
 - Text: White.
 - Hover State: Brightened shade of Teal or Violet.
- Disabled States:
 - Background: Light Gray (#E0E0E0).
 - Text: Dark Gray (#A0A0A0).

5. Backgrounds and Textures

Abstract Backgrounds:

- Geometric lines or curves.
- Subtle noise overlays for depth.

Illustrative Elements:

- Use gradients and geometric shapes sparingly.
- Examples:
 - Red arcs fading into purple gradients.
 - Minimalist grids in light tones.

6. Accessibility Guidelines

Contrast Ratios:

- Text must meet WCAG AA contrast ratios:
 - Light text on dark backgrounds: Minimum 4.5:1.
 - Dark text on light backgrounds: Minimum 3:1 for large text.

Font Legibility:

- Avoid text sizes smaller than 14px.
- Use bold weights for headings to improve readability.
